PROFESSIONAL SUMMARY

Brand & Marketing Designer with 5+ years of experience in branding, presentation design, social media graphics, marketing collateral, print production and infographics, plus light motion design and early UI and web design experience. Has delivered work for 20+ freelance clients across the UK, US, Canada, UAE, Croatia, Egypt, Georgia and Nigeria, and for full-time and contract design teams. **Five years of remote work experience**, managing briefs, feedback and deadlines independently, supported by solar-powered electricity and fibre-optic internet connectivity.

PROFESSIONAL EXPERIENCE

Graphic Designer | Go Brewing Feb 2026 – Aug 2026
Full Time, Remote | US non-alcoholic beer company

- Designed print and digital marketing collateral, including sales sheets, banners, posters, social media carousels and YouTube thumbnails, keeping brand communication consistent across channels.
- Developed production-ready packaging artwork and product dielines, preparing accurate print-ready files that met technical specifications and brand standards.
- Built business presentations, pitch decks and proposal slides that present products, campaigns and business opportunities clearly and professionally.

Freelance Graphic & Visual Communication Designer | Independent Oct 2024 – Present
Remote | 20+ clients across Croatia, UK, US, UAE, Canada, Egypt, Nigeria, Georgia and other markets

- Translate client briefs into social media graphics, presentations and pitch decks, marketing collateral, infographics and print-ready artwork, adapting to each client's brand identity and industry.
- Designed social media content and promotional graphics for campaigns and product launches, supporting increases in followers and engagement on client channels.
- Created social media graphics, promotional visuals and web graphics (banners, icons, UI visuals) for ALTCTRL, a crypto/Web3 client, applying brand identity with clear visual hierarchy.
- Work independently with international clients, interpreting briefs, handling feedback and revisions, and delivering to agreed deadlines across multiple concurrent assignments.

Graphic Designer | Ideolux Lighting Apr 2026 – May 2026
Contract, Remote

- Designed and produced a 100+ page corporate brochure, managing layout, typography, imagery and print-ready document preparation.
- Developed brand guidelines defining the company's visual identity, covering typography, colour palette, layout principles and brand usage standards.
- Created internal communication templates for announcements, employee birthdays, team welcomes and other recurring content, keeping the visual identity consistent internally.

Graphic Designer | Baker Industries Limited Mar 2022 – Sep 2024
Full Time, Remote

- Created digital and print materials for marketing campaigns, including social media graphics, brochures and presentations that boosted engagement.
- Collaborated with the marketing team to develop brand-consistent visuals across campaign channels.
